## Luxembourg News

The delivery of Cargolux LX-VCA was delayed again and is now expected to arrive in the first week of March.

LX-VCH is still at KPAE and could be delivered around Eastern.

For this summer 2013 Luxair will lease a Boeing 737-800 from the French carrier XL Airways France. The aircraft will be based in Luxembourg from April to November and mainly operate leisure flights for Luxair tours.

On 9<sup>th</sup> February LX-LGA (Dash Q402) returned from the paintshop in Ostrava and by surprise it had a different color than the previous ones.

## Corsair new livery

Unfortunately without any sun, as almost the whole month of February, Corsair arrived with F-GTUI, one of their Boeing 747-400 wearing the new and friendly looking Corsair livery on 27<sup>th</sup> February 2013.
