EasyJet special livery

Although EasyJet is by now a regular visitor here in Luxembourg, they do surprise us from time to time with their special liveries. On 25th July 2013, they used their Airbus A319-100, G-EZIW, with "Linate-Fiumicino" titles.

Charter flight to Sao Paulo

A special charter flight took place on 15th July 2013. 278 young people from Luxembourg, Liege and Troyes departed from Luxembourg to Brazil.

Accompanied by the Archbishop Jean-Claude Hollerich, they boarded the Corsair Airbus A330-200 in the new Corsair livery for a non stop flight (SS820) to São Paulo-Guarulhos airport.

They stayed in Brazil for 2 weeks for the "World Youth Day 2013".

The return flight on 30th July was operated by the same aircraft F-HCAT.

Antonov's everywhere

Last edition I talked about the few Antonov's we get these days at Luxembourg airport. In July however it was quite the opposite. **SIX** different Antonov's operated flights to Luxembourg. Five Antonov's An-12 (UR-CGW, UR-DWF, UR-CAK, UR-CAF & UR-CGV) and one nice and colorful Antonov An-74 (UR-CKC).

UR-CAK - Ukraine Air Alliance

Europe Airpost charter

Europe Airpost was back again for a charter flight. On 12th July F-GIXO (Boeing 737-300) operated a flight (FPO313B). Another flight (FPO282A) was operated by F-GZTB (Boeing 737-300) on 1st July.

Vizion Air & Denim Air Fokker 50

On 4th July 2013 two Fokker 50 were present, both operating for Denim Air.

On the right is PH-JXK (flight DNM272P) in the classic white livery with blue tail. Until April 2013 it was still wearing "blueislands" titles on the side.

Below is PH-JXJ (flight DNM271P) with Vizion Air logo and "Vizion is the art of seeing the invisible (Jonathan Swift)" titles on the side.
