Cargolux delivery news

Cargolux announced on 13th February that they ordered another Boeing 747-8F bringing the total number of orders to 14 aircrafts. Delivery is planned for March 2015.

Delivery of LX-VCJ and LX-VCK are expected for June 2014, respectively December 2014.

Air Bright Expendables

On 13th February Air Bright Aviation operated a charter flight with a quite interesting Antonov An-26. LZ-ABR has a quite noticeable design. In fact the aircraft was used for the movie "Expendables 3" wearing the crow and skull logo on the tail.

Qatari C-17 are back

Several weeks after the last visit of the Qatari C-17 cargo fleet, they were back again during the last month, operating numerous flights to Luxembourg. Seen on the photo is A7-MAB.

Two new aircraft types first visit Findel airport (by Serge Braun)

From 23rd to 24th February 2014, this amazing and colorful private Sukhoi SU-29 (HA-YAR), a plane especially used for aerobatics and acrobatic show-flights, made a night stop at Findel.

© Serge BRAUN

Two days later, this brand-new Gulfstream VI (G-650) of Execujet Europe (OY-GLF) made its first visit at Findel. The Bizjet had just been delivered one week before.
